Sought
employment

- 7% Company-sponsored, already employed
- 8% Continuing education
- 3% Postponing job search
- 3% Starting a new business as owner

“In my opinion, the most important aspect was the rigorous combination of theory with hands-on advice on how to apply the knowledge to industry. Classes on topics such as Cash-Flow Modelling or Real Estate Development are only possible in an environment with small groups and intensive dialog with the professors.”

Benjamin Hanle, Germany
